ORDER

ARUN SUBRAMANIAN, United States District Judge:

The Court has received email correspondence from the plaintiff. As a reminder, all correspondence with the Court should be publicly filed on the docket.

Plaintiff asserts that defendants have failed to redact sensitive information as required by Federal Rule of Civil Procedure 5.2 and requests clarification on how to move forward. Plaintiff should file a motion to seal the document, identifying both (1) the specific document that contains sensitive information and (2) the categories of sensitive information that are contained in that document. The Court will then rule on plaintiff's motion to seal.

SO ORDERED.
